

Bettye got on that evening train
She has no more suffering nor pain
Family please don't be sad
She only left to be with Jesus and you should be glad!
Thank you God for lending her to us,
and caring and showing us her love!
She's smiling down on us and sending blessings from above!
The battle for our Dear Mother and grandmother is now over
Her victory has been won!
Now my Savior says well done, my child well done!

There are four ways of finding yourself

Stay focused on the eternal
Let go of anything you can't control
Learn to forgive others
Repent and rely on Christ

In Appreciation

We are truly honored to have had such a devoted matriarch, whose life touched so many. As we celebrate her remarkable journey, we remember each cherished moment, and find solace in knowing she is rejoicing with our Eternal Father. It has warmed our hearts to know that she was loved by so many. We will be forever grateful for the outpouring of love we have received during this difficult time. Your prayers, love, and support mean the world to us as we celebrate her life and legacy of love. In peace and with love,

The Coulter Family

IF YOU COULD SEE ME NOW

If you could see me now you wouldn't shed a tear.
Though you may not understand why I'm no longer there.
Remember my spirit that's the real me because I'm still very much alive,
I've just been set free, Oh, if you could only see!
I have beheld our Father's face and I've touched my Savior's Hand.
All of Heaven's angels rejoiced as I entered the promised land.
Beyond the gates of pearl, I've walked on the golden streets.
I've touched the walls of jasper and dipped my foot in the Crystal Sea.
The beauty is beyond words and nothing could compare,
I've even seen your mansion and someday I'll meet you there.
Let Jesus be your guide because His Word will show you the way!
So please don't Cry because we will meet again someday.
