## *That's A Blessing*

When I wake-up in the morning  
that's a blessing,  
Roof over my head  
that's a blessing,  
Food on my table  
that's a blessing,  
Clothes on my back  
that's a blessing,  
Family, Friends and Loved Ones  
That's a blessing,  
Being of right mind, body and spirit  
That's a Blessing,  
Having His Grace and Mercy  
That's a blessing!

## *In Gratitude*

In everything both great and small, we see the hand of God through various expressions of sympathy you have extended to us. It is with deepest gratitude that we thank each of you during this most difficult time.
