

## *"Our Little Angel Flew"*

*Our little angel flew to heaven's gate,  
With wings so small yet love so great.  
She left behind her tiny shoes,  
And took with her our morning dew.  
In gardens bright, she plays above,  
Forever wrapped in endless love.  
Though tears may fall, we'll smile again,  
For in our hearts, her light remains.*

## **The Life of Ailana Jayxelis Morales Cruz**

In the embrace of the universe, a star was born,  
Ailana Jayxelis Morales Cruz,  
Her spirit illuminated our world,  
Though for a fleeting moment, she graced us.  
Born on July 4, 2025, in Youngstown, Ohio,  
She entered life as a promise yet unfulfilled,  
A precious heartbeat echoing love,  
Only to depart the same day,  
Returning to the cosmos from which she came.

Ailana's legacy will forever linger  
In the hearts of her devoted parents,  
Mother Jerelis Geigel Cruz,  
A beacon of hope and love,  
And father Axel Morales Santos,  
Who will carry her memory like a flame.  
Though her time here was brief,  
It was steeped in the beauty of potential,  
A life woven with dreams yet to unfold.

As we gather to honor this tender soul,  
Let us weave together the threads of love,  
A celebration of Ailana's short but profound journey,  
At noon hour when time shall pause to remember.

In quiet reflection, we will bid farewell,  
As we lay her to rest in the earth,  
At Belmont Park Cemetery, Youngstown, Ohio,  
A final embrace, a gentle release,  
In the arms of nature, she shall find peace.

To Ailana Jayxelis, whose spirit will shine on,  
An eternal light in our hearts,  
Forever cherished, forever adored,  
In the depths of our love, she shall never fade.
