

Percy valued exercise, embraced a vegan lifestyle, and especially enjoyed bike riding. His dedication to his health reflected his discipline, determination, and desire to become the best version of himself.

Percy was a dedicated and hardworking man who recently reached an important milestone in his career-celebrating 10 years of service with Whirlpool. He proudly received his 10-year anniversary certificate, meaningful recognition of his commitment, loyalty, and years of dedication. His Whirlpool family asked to know the time of his funeral so that the entire plant could pause for a moment of silence in his honor. This thoughtful gesture speaks volumes about the respect Percy earned during his 10 years of service and the lasting impression he made on those around him.

As Percy's faith became sight, he was reunited with his grandparents Marie & Lovell Davidson and Hilyard and Opal Walker; great-grandparents Mary and West Taylor, along with his aunts and uncles.

Percy's memory will be cherished by his parents, siblings and a large host of family and friends.
